Isaac- Here are some additional comments.

David - please review them as well.

**Subject:** For Internal Review Only - GKM Area Command Transition Plan

Good evening all-

I wanted to share with you the draft transitional plan that AC has prepared. We have received input from the ICPs for its development. Please review it and send me any comments that you have. I would also like to discuss it at the conclusion of the normally scheduled EOC coordination call tomorrow.

<DRAFT Area Command Transition Document 08\_30\_15 1630version1 R8
